2025 Moos Elementary Walkathon

Friends of Moos is a non-profit 501(c)3 organization dedicated to supporting the students and staff of Bernhard Moos Elementary School in Humboldt Park. We are made up of parent volunteers, school faculty, and community members. Our mission consists of three components:

- Raise funds to provide financial support for academic programming, social emotional programming, and school beautification projects
- Create, strengthen, and broaden relationships between Moos Elementary and neighborhood and school families and community groups, businesses, and non-profit organizations
- Amplify the Dual Language and International Baccalaureate programs to increase neighborhood enrollment

Our third annual **Moos Walkathon is on Friday, May 23rd** and will be part of our school's day-long celebration of Dia del Niño, the Day of the Child. In the weeks leading up to this special event, our entire student body will participate in raising funds for **our school community's current priorities: afterschool programming, indoor beautification, and STEAM resources**. Your sponsorship will play a vital role in helping us support these priorities now and as we prepare for the next school year.

In recognition of your commitment to education for our youth, we would be honored to feature your company's logo on our website and social media platforms in addition to having it printed on the event t-shirts our students and staff will wear, ensuring visibility within our school community and beyond.

Every Moos student and staff member will have the opportunity to screen print their own Walkathon t-shirt on May 7th, and sponsor logos will be printed on them in advance. We cannot thank you enough for your eagerness to partner with us and make a difference at Moos Elementary. Please visit www.FriendsofMoos.org/Donate or inquire with us about how to send your donation.
